Florence County Land Information Disclaimer and License Agreement

The information and depictions contained in the Florence County GIS data are for informational purposes only. The County specifically disclaims accuracy in this reproduction and specifically admonishes and advises that any and all depictions, measurements, and distances in the GIS data should be determined by procurement of certified maps, surveys, plats, Flood Insurance Studies, or other official means to the extent of accuracy required.

Said information is strictly for the sole use of Recipient who agrees not to disclose or otherwise make it available to any third party. Recipient agrees to make all its employees who will have access to the files aware of this limitation. Information contained in the files is not intended or represented to be suitable for reuse by Recipient or others on any extension or modification of the project or any other project. The County will not be responsible for any damages that result from third party use of the information and depictions in the Florence County GIS data or for use that ignores this warning.

Users of the Florence County GIS data buy copies "as is" on a one-time basis. Florence County is under no obligation to inform users of any updates, alterations, or accuracy errors discovered thereafter. The burden of ordering and paying for updated copies rests entirely upon the user. Revisions are made at Florence County's discretion as time and funding permits.

Data requests have equal priority with other project work. A good faith effort will be made to fill orders as promptly as possible within normal operations of the Florence County Land Information Office; delays may sometimes occur due to staff shortages or schedule constraints.
